

# IMPACT LIST

Let's be honest, sometimes it's hard to tell if you're really making a difference. Life can feel like you're just going through the motions, stuck in the same rhythm day after day. But if you're a born-again believer, here's the truth: every interaction you have matters. Whether it's a quick chat or a long conversation, God can use even the smallest moment to make an impact through you.

This simple tool is designed to help you see who you're already influencing, just by being present.

Start by writing down the 3–5 people you interact with most often. Don't overthink it, this is about quantity, not quality. Who do you naturally bump into the most in your daily or weekly rhythm? That's your starting point.

**Family:**

**Friends:**

**Church:**

**Neighbors:**

**People Along Your Daily Routine:**
